\* Denotes Tube Type

The Sailun S917 drive tire has been engineered to perform in demanding conditions such as mining, construction and logging applications. The S917 features an aggressive multi-lug tread design for exceptional off-road traction and an enhanced rubber compound to resist cuts and chunking. Open shoulder ribs deliver superior stability and resistance to uneven wear. The S917's deep 31/32" tread depth provides long tread life and an exceptional cost per mile.

#### Features & Benefits

- Aggressive multi-lug design.
- Deep tread depth for excellent tread life.
- Open shoulder design for excellent stability.

#### Applications:

- Regional Logging Trucks
- Mixed Concrete Trucks
- Refuse Trucks
- Dump Trucks
